Sub: Appreciation.

Respected

I am elated to say that the world is new and back to me because I have got back my eyes. All this happened only because of the doctor and his team. Yes! the doctor and his team are doing their duty with utmost dedication and parental care without being materialistic. I am thankful to everyone and I pray the almighty to shower his blessings on each

and everyone of this hospital.

T - Truthfulness

M - Mortality and Maintenance

S - Special care

Thankyou

yours sincerely,
Balasubramanian Ramakrishna
